DETAILED ACTION

Election/Restrictions

1. Applicant's election without traverse of the invention of group II, claims 1 – 17 in the reply filed on July 7, 2006 is acknowledged.

Drawings

2. The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they include the following reference character(s) not mentioned in the description: "15", first mentioned on page 8 of the specification. Corrected drawing sheets in compliance with 37 CFR 1.121(d), or amendment to the specification to add the reference character(s) in the description in compliance with 37 CFR 1.121(b) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Specification

3. The disclosure is objected to because of the following informalities: In line 1 of paragraph [0026], "10includes" should be replaced with --10 includes--.

Appropriate correction is required.

Allowable Subject Matter

4. Claims 1 – 17 are allowed.
5. The following is a statement of reasons for the indication of allowable subject matter: The prior art of record does not teach, alone or in combination, a method including “removing said etch differential doped portion from said semiconducting regions to produce a cavity underlying said upper Si-containing surface of said semiconducting regions.”

Conclusion

6. This application is in condition for allowance except for the following formal matters:

The matters noted above as well as non-elected claims 18 – 20 remaining in the application.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
